ST. ANNE
OUR COLLEGE PATRON

COLLEGE ANTHEM

He's still working on me,
To make me what I ought to be
It took him just a week to make the moon and stars,
The Sun and the Earth and Jupiter and Mars
How loving and patient He must be
He's still working on me

There really ought to be a sign
Upon my heart
Don't judge me yet,
There's an unfinished part
But, I'll be perfect just according to His plan
Fashioned by the Master's loving hands

In the mirror of His word,
Reflections that I see,
Makes me wonder why
He never gave upon me
He loves me as I am,
And helps me when I pray,
Remember He's the Potter, I 'm the clay

COLLEGE PRAYER

Loving God, Through SACET, we walk with you.
Grant us the grace to find your light within us.
We stand before you –
the past, present and future of SACET.
Teach us goodness – to embrace diversity.
Teach us discipline –
that we may walk in your love.
Teach us knowledge – to live and to learn.
Blessed St. Anne, Patron of SACET,
guide us that we may follow your example –
to choose love over hate,
good over evil,
excellence over mediocrity.
Lord – watch over us and be with us.
on our crusade to deepen our faith. Amen

EDUCATIONAL GOAL OF THE SISTERS OF ST. ANNE, TIRUCHIRAPALLI

The Sisters of the Congregation of **St. Anne of Tiruchirapalli**, in their educational apostolate, strive for human liberation at all levels among those entrusted to their care. Called to serve in simplicity among the poor, the Sisters in all their educational institutions pay special attention to the down-trodden and the marginalized, and help them to grow in knowledge and awareness.

It is our earnest endeavour to inculcate among our students and teachers a spirit of love for God and neighbour. Christian values are their strength to achieve this.

We also see the signs of the times and educate our students in social awareness, brotherhood, justice and freedom of the individual, so well enshrined in the constitutions of our country.

With the help of awareness movements and other such innovative exercises, we advocate in them a sense of fellowship and Christian charity and at the same time train them to be the leaders of a better future.

ST. ANNE'S COLLEGE OF ENGINEERING AND TECHNOLOGY

THE COLLEGE PROFILE

Reading the signs of the times, the congregation of the sisters of St. Anne, Tiruchirapalli has vowed to place the thrust on opting for the poor. It has been working for the cause of education and the upliftment of the poor and down-trodden. After a thorough study, reflection, prayer and discernment, we have proposed to extend our mission through job-oriented training programme, in the name and style of St. Anne's College of Engineering and Technology, chiefly focusing on the option for the poor and established the same in the academic year 2009- 2010.

Our aim is to give hope and dignity through education by which character is formed, strength of mind is increased, intellect is expanded and also by which one can stand on one's feet. We train the youth to see the good in every human being and to take the best out of each individual, to inculcate a sense of values in every student and to help every person to promote justice, peace and love in society.

St. Anne's College of Engineering and Technology is approved by AICTE, New Delhi and affiliated to Anna University, Tiruchirapalli. It is situated at Anguchettipalayam, near Panruti. The surrounding will provide opportunities for our students both for training and employment. Our students can reap the benefits from this Institute with proper coordination. Annai Velankanni polytechnic College which is situated at Anguchettipalayam has also got a rapid growth in the last six years under the management of the sisters of St. Anne, Tiruchirapalli.

THE COAT OF ARMS

CREATE - ILLUMINATE - INSPIRE

Icons of engineering wonder and ingenuity, God is the supreme of all creations. The Sun suggests energy as well as the continual enlightenment and opportunity that come as a result of exploration, problem solving and discovery through application of engineering disciplines. The shaking hands suggest that everyone have the choice to inspire others to find *their* voice. Inspire means to breathe life into another. As we recognize, respect and create ways for others to give voice to *all four parts of their nature*--physically, mentally, emotionally/socially, spiritually-latent human genius, creativity, passion, talent and motivation are unleashed.

VISION

To build a Holistic Society which is based on cultural values and justice through our institution for coming out of the self centered life to other centered lives.

MISSION

- ❖ To provide quality engineering education for the rural students in and around the nation and to produce world class engineers.
- ❖ To stimulate the students skill for improving their soft skills and technical knowledge according to the trends and needs of the industries.
- ❖ To provide healthy education through which character is formed, strength of mind is increased, intellect is expanded and through which one can stand on one's feet.
- ❖ To provide good infrastructure, consistent technical and professional enrichment of staff by creating continuous improvement in teaching process for the betterment of the students who come from the illiterate , marginalized and downtrodden families.

ACADEMIC PROGRAMMES

The College offers four Bachelors Degree programmes :

- B.E. - **Electrical & Electronics Engineering**
- B.E. - **Mechanical Engineering**
- B.E. - **Electronics & Communication Engineering**
- B.E. - **Computer science and Engineering**
