**OUR COLLEGE PATRON**

### COLLEGE ANTHEM

He's still working on me,  
To make me what I ought to be  
It took him just a week to make the moon and stars,  
The Sun and the Earth and Jupiter and Mars  
How loving and patient He must be  
He's still working on me

There really ought to be a sign Upon my heart  
Don't judge me yet,  
There's an unfinished part  
But, I'll be perfect just according to His plan  
Fashioned by the Master's loving hands

In the mirror of His word,  
Reflections that I see,  
Makes me wonder why  
He never gave upon me  
He loves me as I am,  
And helps me when I pray,  
Remember He's the Potter, I 'm the clay

### COLLEGE PRAYER

Loving God, Through St Annes CET, we walk with you.  
Grant us the grace to find your light within us.  
We stand before you –  
the past, present and future of St Annes CET.  
Teach us goodness – to embrace diversity.  
Teach us discipline –  
that we may walk in your love.  
Teach us knowledge – to live and to learn.  
Blessed St. Anne, Patron of St Annes CET,  
guide us that we may follow your example –  
to choose love over hate,  
good over evil,  
excellence over mediocrity.  
Lord – watch over us and be with us.  
on our crusade to deepen our faith. Amen

## THE COAT OF ARMS

### CREATE - ILLUMINATE - INSPIRE

Icons of engineering wonder and ingenuity, God is the supreme of all creations. The Sun suggests energy as well as the continual enlightenment and opportunity that come as a result of exploration, problem solving and discovery through application of engineering disciplines. The shaking hands suggest that everyone have the choice to inspire others to find *their* voice. Inspire means to breathe life into another. As we recognize, respect and create ways for others to give voice to *all four parts of their nature*--physically, mentally, emotionally/socially, spiritually-latent human genius, creativity, passion, talent and motivation are unleashed.

## QUALITY POLICY

St. Anne's College of Engineering and Technology Committed to imparting quality education and training to the students, permissive them to shine in the fields of Engineering in a disciplined environment to reconstruct the Institution into a Centre of Excellence in Engineering Studies.
