WEBINAR ON VIRTUAL REALITY

FEEDBACK

The department of Computer Science and Engineering has organised a one day webinar on “Virtual Reality”. More than 1000 students had registered and participated in the webinar and got benefitted. They gave their valuable feedback to the resource person based on their experience in the webinar. We learned a lot about Virtual reality and its applications. The students said they gained knowledge about the Virtualization, Virtual software's, applications of VR. And the session was completely interesting with effective interaction between students and resource person. The resource person's lecture was captivating and impressive. The overall feedback of the webinar was excellent.
