## SCHOOL CLEANING AND PAINTING PROGRAM REPORT

DATE: 25.08.2017

PLACE: Kokkupalayam Primary school

National Service Scheme of St. Anne's College of Engineering and Technology, Panruti, conducted "School Cleaning and Painting Program" in Kokkupalayam Primary school. Main objective of the campaign is to say "No to Plastics". Plastic has recently become the most polarizing substance but the substance may also be one of the most hazardous materials in our world. The utility of plastics in the growth of urban lifestyle is immense. Plastic is becoming a fundamental and inescapable component of our lives. Every year there is a steady growing amount of plastics consumed. The plastic garbage is extremely evident because the overall solid waste contributes to a huge volume. Plastic garbage has been seen as a severe problem of solid waste precisely because of its high visibility. Our volunteers also painted school walls.

## TREE PLANTATION AND DENGUE AWARENESS REPORT

**Date:** 14-06-2018

**Place:** Sirugramam village

Our college NSS unit organized a one-day camp on 14<sup>th</sup> June 2018 at Sirugramam village. To make awareness about dengue fever among the school students, *Nilavembu Kashayam* was given to the students of Govt. Primary and Higher secondary school. And Our NSS Volunteers Planting Trees around Sirugramam village. Theme of the camp was 'Tree plantation, Cleanliness is next To the Godliness and Healthy Youth for Healthy India. Registration of camp began at 8.45 am. All the second year NSS volunteers of Mechanical, EEE, ECE and CSE department were registered and the registered students were divided into two groups responsible for various activities such as Cleanliness and Tree Plantation. The students also placed bricks around each plant and each student took the responsibility to nourish and maintain the allotted plant. Eventually, the ground attained a glorious look. As the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects. All the Volunteers were filled with joy after the tree plantation event was finished, because they contributed positively to nurture the nature. The camp came to a joyous end by 4.45 p.m.
