## YOGA DAY CELEBRATION REPORT

**DATE:** 21/06/2017

**PLACE:** Anguchettypalayam Village

The Students and Staff of St. Anne's College of Engineering and Technology has celebrated a Yoga Day in association with Rotaract club, Panruti on 21/06/2017 at Anguchettypalayam Village. The aim of the Yoga Day is raising awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system, so all HoDs, the teaching and non-teaching staff, students actively participated with Volunteers of NSS Unit and performed Yoga activities and to educate them regarding discipline, good behaviour and character building. NSS programme officers J Ramesh and S. Durairaj great efforts to conduct programme smoothly.

### MOTIVATIONAL PROGRAMME FOR VILLAGE CHILDREN REPORT

**DATE:** 09.07.2017

**PLACE:** Anguchettpalayam, Manappakam and Irular Village

The Students and Staff of St. Anne's College of Engineering and Technology has give a special classes to the children of Anguchettpalayam, Manappakam and Irular Village on every Sunday starting from 09.07.2017. The main aim of their visit is to meet the children over there and to educate them regarding discipline, good behaviour and character building. They planned to do this motivation talk on every Sunday, so that they could meet a lot of children and may get a chance to cultivate their behaviour.

## SCHOOL CLEANING AND PAINTING PROGRAM REPORT

DATE: 25.08.2017

PLACE: Kokkupalayam Primary school

National Service Scheme of St. Anne's College of Engineering and Technology, Panruti, conducted "School Cleaning and Painting Program" in Kokkupalayam Primary school. Main objective of the campaign is to say "No to Plastics". Plastic has recently become the most polarizing substance but the substance may also be one of the most hazardous materials in our world. The utility of plastics in the growth of urban lifestyle is immense. Plastic is becoming a fundamental and inescapable component of our lives. Every year there is a steady growing amount of plastics consumed. The plastic garbage is extremely evident because the overall solid waste contributes to a huge volume. Plastic garbage has been seen as a severe problem of solid waste precisely because of its high visibility. Our volunteers also painted school walls.

## TREE PLANTATION PROGRAMME REPORT

**DATE:** 01& 02-02-2018

**PLACE:** Kokkupalayam village

The NSS of St. Anne's College of Engineering and Technology, Panruti successfully completed the event of "Tree Plantation and Campus Cleaning" under the National Service Scheme(NSS) at Kokkupalayam village. Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO<sub>2</sub>. The NSS Officers and the Volunteers have planted 250 saplings in the surroundings of Kokkupalayam village. The students also placed bricks around each plant and each student took the responsibility to nourish and maintain the allotted plant. Eventually, the ground attained a glorious look. As the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects. All the Volunteers were filled with joy after the tree plantation event was finished, because they contributed positively to nurture the nature.

### HAEMOGLOBIN CHECK- UP CAMP REPORT

**DATE:** 05/02/2018

**PLACE:** Anguchettypalayam

On behalf of St. Anne's College of Engineering and Technology, the NSS team has planned to conduct a special camp of Haemoglobin Check-up Camp dated on 05/02/2018. NSS students participated actively in the programme. Total 96 female students and staff were checked and given reports. Girls having low haemoglobin were also given medicines free of cost. Dr. Amudha also gave a brief lecture to students on benefits of haemoglobin check-up and early detection of any lacking in the body to do away with any future disease and keeping the body healthy. It is a part of preventive health check-up. Overall, the response was good and program was a great success.

## TREE PLANTATION AND DENGUE AWARENESS REPORT

**Date:** 14-06-2018

**Place:** Sirugramam village

Our college NSS unit organized a one-day camp on 14<sup>th</sup> June 2018 at Sirugramam village. To make awareness about dengue fever among the school students, *Nilavembu Kashayam* was given to the students of Govt. Primary and Higher secondary school. And Our NSS Volunteers Planting Trees around Sirugramam village. Theme of the camp was 'Tree plantation, Cleanliness is next To the Godliness and Healthy Youth for Healthy India. Registration of camp began at 8.45 am. All the second year NSS volunteers of Mechanical, EEE, ECE and CSE department were registered and the registered students were divided into two groups responsible for various activities such as Cleanliness and Tree Plantation. The students also placed bricks around each plant and each student took the responsibility to nourish and maintain the allotted plant. Eventually, the ground attained a glorious look. As the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects. All the Volunteers were filled with joy after the tree plantation event was finished, because they contributed positively to nurture the nature. The camp came to a joyous end by 4.45 p.m.

Our NSS Volunteers provide *Nilavembu Kashayam* to the Govt. Primary school on 14<sup>th</sup> June 2018 at Sirugramam village.
