CORONA VACCINATION CAMP

REPORT

DATE: 09-09-2021

PLACE: St. Anne's College of Engineering & Technology.

A COVID-19 vaccination camp was organised at NSS cell of St. Anne's College of Engineering and Technology, Panruti, on 9th September 2021 for our college teaching staffs, non-teaching staffs and students. The camp was organised on the instruction of our Secretary Rev. Sr. Dr. Y. Yesu Thangam. Mr. Bharathi, health inspector, Marungur & Dr. Nithiya and her team administered the vaccine to over 100 staffs and students during the camp. Awareness was created among the staffs and students on the rapid spread of the viral infection and the safety measures to be taken and also taken pledge against covid -19. NSS volunteers were played an important role in making this camp success. At the end, the Executive Principal of our college, Dr. R. Arokiadass and Vice-Principal Sr. Punitha Jilt congratulated the NSS officer and their team for the successful organization of the camp.

"So grateful to all who made this possible"

"All vaxxed up and ready to go"

TREE PLANTATION AND CAMPUS CLEANING PROGRAMME REPORT

DATE: 24-09-2021

PLACE: St. Anne's College of Engineering & Technology

St. Anne's College of Engineering and Technology, Panruti successfully completed the event of "Tree Plantation and Campus Cleaning" under the National Service Scheme (NSS) at college campus on Friday, 24th September, 2021 which is celebrated as "NSS day". Every man needs the oxygen for their life and trees are the foremost source of oxygen as well as trees help to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such a problem planting trees has become one of the most important aspects of today's life. The event was begun with a welcome speech by our NSS Officer and then we all moved towards the place where tree plantation took place. A very first tree was planted by our Secretary Rev. Sr. Dr. Y. Yesu Thangam in our college premises and then Principal Dr. R. Arokiadass, Vice-Principal Sr. Punitha Jilt also planted a tree. Total trees planted by all others including staffs, volunteers and other students was more than 100 on the day. Then all the NSS Volunteers and students were engaged in this cleaning programme. The NSS officer Mr. J. Ramesh divided the NSS Volunteers into several groups. Each group's members were allocated with a particular area for cleaning. Three groups were asked to collect all the stones from the ground separately in different sacks. The renewable wastes such as dry leaves, twigs, papers etc. and non-renewable wastes such as carry bags, plastic items etc. were collected separately. The renewable waste was collected and burnt. At the end the NSS volunteers were happy and experienced pride after the tree plantation event was finished, because it really feels great to do positive for the nature.

DAY 6

DATE: 18.12.2021

On the sixth day, Mr. C. Pasupathi, President, Civic Exnora, Panruti, motivated the Volunteers on the importance of Tree Plantation. Every man needs the oxygen for their life and trees are the foremost source of oxygen as well trees help to reduce the level of CO₂. He also said that the whole world is facing the problem of global warming and to recover from such problem, planting trees has become mandatory. Then we all move towards the place where tree plantation took place. The very first tree was planted by our Chief Guest and then NSS officer and village people also planted the trees. More than 100 trees were planted on the forenoon session of the day.

CAMPUS CLEANING PROGRAMME
REPORT

DATE:08-04-2022

PLACE: St. Anne's College of Engineering & Technology

St. Anne's College of Engineering and Technology, Panruti successfully completed the event of "Campus Cleaning" under the National Service Scheme (NSS) at college campus on 08th April, 2022. Every man need the oxygen for their life and Trees are the foremost source of oxygen as well trees helps to reduce the level of CO₂. As we all know that the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important today's aspects. The event was begun with the welcome speech by our NSS Officer and then we all move towards the place where tree plantation took place. A very first tree plant by our Secretary Rev. Sr. Dr. Y. Yesu Thangam in our college premises and then Principal Dr. R. Arokiadass, Vice-Principal Sr. Punitha Jilt also plants a tree. Total tree planted by all others including staffs, volunteers and other students was more than 100 on the day. Then all the NSS Volunteers and students were engaged in this cleaning programme.

The NSS officer Mr.J.Ramesh divided the NSS Volunteers into several groups. Each group members were allocated with a particular area for cleaning. Three groups were asked to collect all the stones from the ground separately in different sacs. The renewable such as dry leaves, twigs, papers etc. and non-renewable wastes such as carry bags, plastic items etc. were collected separately. The renewable waste was collected and burnt. At the end the NSS volunteers were happy and experience proud after the tree plantation event was finished, because it really feels great to do positive for the nature.
