GATE ENTRY MONITORING SYSTEM (GEMS)

It is used for monitoring entry and exit of visitors.

GATE ENTRY (ENTRY IN)

The screenshot displays the GEMS software interface. On the left, there is a video feed showing two young women looking at a laptop. The main interface features a calendar for November 2022, a photo of a man, and a registration form. Below the form, there are statistics for visitors and library hours. A warning message is displayed at the bottom of the interface.
