

e- Governance at St. Anne's College of Engineering and Technology (SANCET)

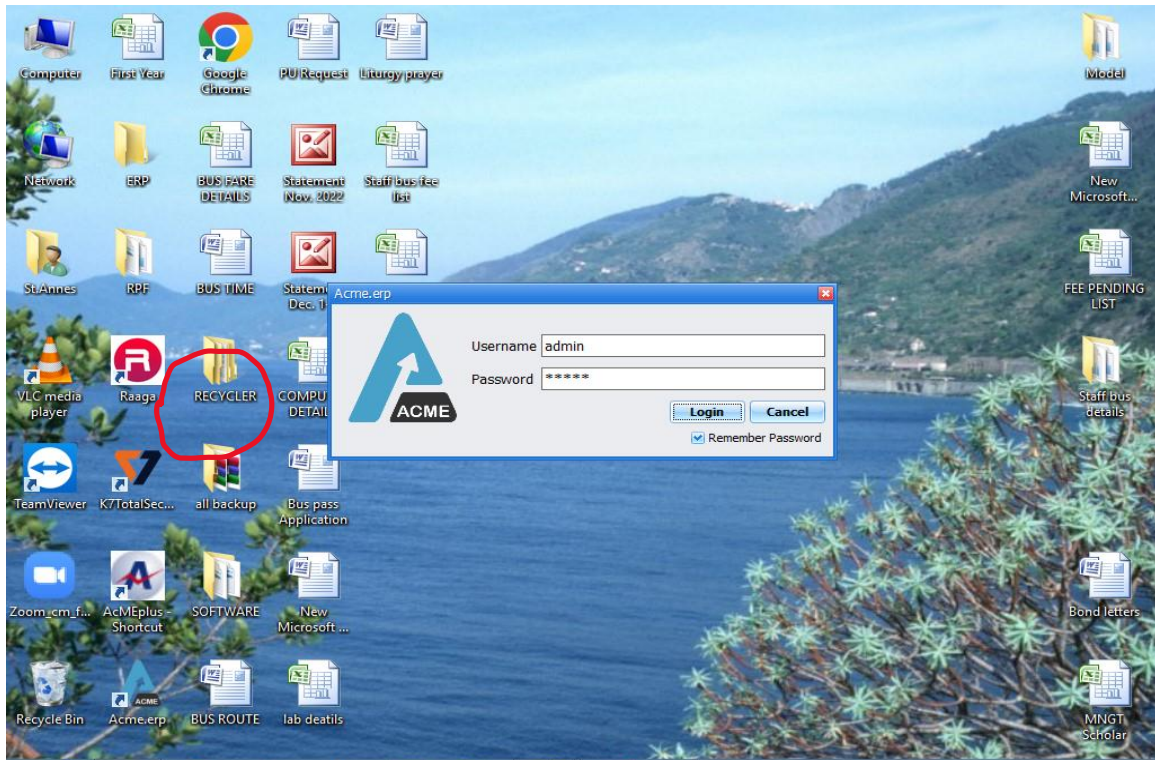

St. Anne's College of Engineering and Technology (SANCET) successfully implements e-governance through CEEMS Enterprise resource planning (ERP) and other official portals to run day to-day activities. It is an automatic integrated system which makes the support facilities more effective and efficient in turn accessing the data now and then. SANCET has the following major categories of e- governance.

FINANCE AND ACCOUNTS

- The accounting system of the institution is used to record and track the financial transactions including income and expenditure. SANCET uses ACME Plus ERP for all the transactions.
- Fee collection (Tuition fee, Bus fee, Hostel fee) are carried out using CEEMS ERP. The screen shots of the finance and accounts are given below.
