

e- Governance at St. Anne's College of Engineering and Technology (SANCET)

St. Anne's College of Engineering and Technology (SANCET) successfully implements e-governance through CEEMS Enterprise resource planning (ERP) and other official portals to run day to-day activities. It is an automatic integrated system which makes the support facilities more effective and efficient in turn accessing the data now and then. SANCET has the following major categories of e- governance.

STUDENT ADMISSION & SUPPORT

Student Admission

- Students' admission is carried out by SANCET portal (<https://stannescet.ac.in/admission/>) and all the data is being integrated with the students' database. Admission portal includes admission enquiry and online application.
- Portals for students' support system such as hostel, placement, alumni, and grievances (<http://www.stannescet/alumni.com/>) are provided separately.
- SANCET is having a full-time web developer and team members to update the website regularly.
