INTERNATIONAL YOGA DAY

Date: 21/06/2017

Venue: Auditorium at St. Anne's CET

Women's Grievance cell of St. Anne's College of Engineering and Technology, Panruti organized a "YOGA & MEDITATION" seminar on 21st June 2017 at 9:30 am. The aim Yoga education can supplement school and university education. It can prepare the students physically and mentally for the integration of their physical and mental, so that the students can become healthier, saner and more integrated members of the society and of the nation. All the Women's Grievance cell Committee members, staff members along with students took part in the seminar. The seminar commenced with the prayer song followed by the welcome address proposed by Mrs. D. Umamaheswari, ASP/ECE. Then the session was taken over by the resource person Mr. A. Thomas Aravamuthm. He started with beautiful quote, "When I'm weak, then I'm STRONG" then she made the students ready and prepared how to build "Self Control" among themselves.

The students were instructed to do Yoga and Meditation along with peaceful and relaxing music background. He motivated the students and conveyed the importance of making Yoga and meditation as a part of our daily life. He taught the students how to become calm and minimize the wasteful thoughts so that they slowly learn to live in the present. The course of Yoga for the student should be well formulated in terms of contents, aptness and graded so that what is learnt earlier works hand in glove with what follows. Practices should be progressive – from easy to difficult; ideology should only be explained students of a later class who are mature to understand it. He also taught several yoga postures and made the students to do the same. He compared it with pearl hunting in deep sea. He guided the students with inspiring quote "PURITY IN HEART; CLARITY IN MIND GIVES SURITY IN LIFE". Yoga education can be integrated in college education during the time set aside for P.T. but in a calm and quiet place creating the proper atmosphere for its proper study and practice.

Enhanced activeness and memory power through exhaling-inhaling was achieved throughout the session. At the end of the session all the students learnt to practice mental hygiene, possess emotional stability and to integrate moral values. The seminar ended with the vote of thanks delivered by Mrs. Ramya, ASP/S&H.

DAY 5

DATE: 17.12.2021

On Fifth day of the camp, the Chief Guest, Mr. Bharathi, Health Analyst, Medical Team, Oraiur, gave a valuable talk on 'Dengue and Corona health awareness'. He said that Dengue fever is a mosquito-borne tropical disease caused by the dengue virus. Symptoms typically begin three to fourteen days after infection. These may include a high fever, headache, vomiting, muscle and joint pain, and a characteristic skin rash. Recovery generally takes two to seven days. He suggested to use insect repellent, wear long-sleeved shirts and long pants, and control mosquitoes inside and outside the home to protect against dengue mosquito bites. He also advised about the precautions to prevent the spread of COVID-19 by maintaining hygiene and washing hands frequently, especially if travelled by public transport then use an alcohol sanitizer and wearing a mask (cover the nose and mouth). Finally, our NSS Volunteers undertook a rally on 'Dengue Awareness'.

In the afternoon session, the Chief Guest Mr. A. Richard Pravin, ASP/EEE, St. Anne's College of Engineering and Technology, Anguchettypalayam, gave a speech on Disaster Management. He briefly explained the various types of disasters and their potential risks so that people act appropriately when a disaster happens. He also said precautionary measures and immediate relief efforts of disaster management. The disaster management and preventive measures given by the Chief Guest is useful to the NSS Volunteers and the villagers.

DAY 6

DATE: 18.12.2021

On the sixth day, Mr. C. Pasupathi, President, Civic Exnora, Panruti, motivated the Volunteers on the importance of Tree Plantation. Every man needs the oxygen for their life and trees are the foremost source of oxygen as well trees help to reduce the level of CO₂. He also said that the whole world is facing the problem of global warming and to recover from such problem, planting trees has become mandatory.

Then we all move towards the place where tree plantation took place. The very first tree was planted by our Chief Guest and then NSS officer and village people also planted the trees. More than 100 trees were planted on the forenoon session of the day.

In the afternoon, the Chief Guest, Mr. K. Kathiravan, District Supervisor, AIDS Prevention and Controller, Cuddalore, gave an awareness speech on HIV/AIDS. The NSS students asked many questions and they were answered by the speaker. He also explained how AIDS is spread and how this disease can be prevented.
