

## ST. ANNE'S COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi. Affiliated to Anna University, Chennai)

Accredited by NAAC,

ANGUCHETTYPALAYAM, PANRUTI -607 106.

***4.4.2. There are established system and procedure for maintaining & utilizing physical, academic & support facilities – Laboratory, library, sports, complex, computer, classroom etc.,***

### **CEEMS ERP**

St. Anne's College of Engineering and Technology provides an extensive infrastructure for providing quality education. This document provides a management framework and procedure for the maintenance of existing infrastructure facilities by general maintenance, IT maintenance, Academic maintenance, and Transport maintenance.

#### **Web Management Portal – For IT maintenance**

A customized ERP: <https://stannescet.ac.in/cms/> is exclusively created for maintenance.

For the request of service / maintenance, staff / student login to their account

Home → Maintenance → New Maintenance → write their request.

Based on the request category,

- General maintenance request goes to Administrative officer.

#### **IT maintenance request goes to System admin.**

- Academic maintenance request goes to Vice Principal / Purchase officer.
- Transport maintenance request goes to transport manager.

After the maintenance is done, status in the portal is updated by the concern officer. Same can be viewed in staff / student login.

Home → Maintenance → Maintenance status

# ST. ANNE'S COLLEGE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi. Affiliated to Anna University, Chennai)

Accredited by NAAC,

ANGUCHETTYPALAYAM, PANRUTI -607 106.

## IT Maintenance

System admin receive the IT maintenance request and directs System analyst / CSE lab assistants based on the request. System admin looks over the maintenance of Computers, UPS facilities, Audio and Visual Services, CCTV Cameras and Tele Communications. Maintenance of the reprographic machine is provided by manufacturer of the facility and Enteral Service Provider (ESP). Campus Wi-Fi is maintained by System Admin.

The screenshot displays the website's header and a grid of 14 IT management system buttons. The header is yellow and contains the college's logo, name, and accreditation details. The grid consists of 14 buttons, each with a unique icon, a title, and a 'Click to Enter' button.

System Name	Icon Description
Student Information System	Clipboard with a lock icon
Staff Management System	Person icon with a graduation cap
Exam Management System	Document with a pencil and a plus sign
Instrument Maintenance System	Stack of coins and a document
Administrative Management System	Document with a pencil
Website Management System	Smartphone with a speech bubble
Fees Management System	Graduation cap and a coin
Hostel Management System	Hostel building icon
Library Management System	Stack of books
Alumni Management System	Person icon with a graduation cap
Feedback Management System	Clipboard with a checkmark

## PHYSICAL MAINTENANCE

The physical maintenance of the St Annes college of Engineering and Technology has been done by the administrative office. The Request has been noted in the complaint Register then the administrative officer takes the complaint and make process over the complaint. The complaint is rectified by external services and the bill has been maintained by administrative officer.
