ALUMNI MEET 2023- REPORT

The Ninth Alumni meet 2023 is conducted on 13th December 2023. All the passed out students of the batch 2020, 2021 and 2022 are invited for the Alumni meet 2023. It was organized by Alumni association faculty members.

An E-invitation was sent to all the alumnus. Alumni meet was started at 10.00 am with registration. The session was started with the prayer song. The welcome address was delivered by Ms.S.Nivetha, ASP/CSE and the member of Alumni Association where she expressed her gratitude for Alumni's presence. The function is presided by Rev, Sr.Nirmala, Secretary. St Anne's CET in the presence of Dr.R.Arokiadoss, Principal, St Anne's CET and the guest of honor is Rev.Sr. Nirmala, Secretary. The dignitaries are honored with shawl and memento. Then the monthly magazine was released by Rev, Sr.Nirmala, Secretary and the first copy is received by Rev, Sr.Nirmala, Secretary then

the monthly magazine copies were accepted by our Principal and all our beloved HODs. Then, our Principal Dr.R.Arokiadoss. facilitates the gathering.

An Alumni Association report was delivered by the alumni meet convener Mrs. Umamageshwari, Ap/ECE. Rev, Sr.Nirmala, Secretary/ St Anne's CET presided over the function and deliver the presidential address. Her speech was very thoughtful. Then the following alumnus shared their career experiences.

- 1) Mr.Vijayakumar, V, EEE, 2015-2019.
- 2) Ms.Abinaya.K, CSE. 2017-2021.
- 3) Mr.G.S.Arunraj, ECE, 2014-2018.
- 4) Mr.S.Lelin, Mech, 2015-2019.

It was very useful and motivated the current final year students, then, the memento were distributed to all the alumnus. Mr.sundarapandi, AP/EEE delivered the vote of thanks.

SEMINAR ON “ KNOWLEDGE ABOUT GIT/GITHUB ”

OBJECTIVE & OUTCOME

OBJECTIVES:

- To Introduce the Git Hub to students.
- How to Create Account in Git Hub.
- How to use Git Hub professionally.
- Benefits of Git/GitHub.

ABOUT THE SEMINAR:

It is important for the Engineering students to gain the knowledge on storage mediums or repositories. Git and GitHub are the popular storage repositories. Storing the software's and projects efficiently is very much needed for engineering professionals.

The seminar on GitHub will be conducted on **18.10.2023** between **9.30 AM and 12.15 PM**. **Ms. K. Kayalvizhi, AP/CSE** will be the resource person. The seminar is open to IV year students and faculty of all engineering disciplines. There will be an interactive session which will help the participants to clear their doubts.

OUTCOMES:

- Needs of Git and GitHub storage medium will be understood by students.
- Knowledge on Account creation procedures in Git/GitHub will be imported to students.
- Various applications of Git and GitHub will be known.
- Advantages of GitHub over other storage mediums will be realized.

Report on “Role of Engineers in Armed Forces”

On the account of Engineers day celebration a One-day seminar has been organized on “Role of Engineers in Armed Forces” by the Department of Electrical and Electronics Engineering on 14th September 2023, in our college premises at control and instrumentation laboratory. **Mr. R. Rasu, CRPF, Para Military Force, Indian Army**, Proud Alumni Student of 2022 batch, SANCET was the Resource Person and the event started with prayer song in the presence of Faculties and students of the department. Ms. Barani final year student gave welcome address and Mr. J. Ramesh AP/EEE Event coordinator inaugurated the session and honored the chief guest. Mr. K. Sriram AP/EEE introduced the chief guest and encouraged the students to listen the seminar with great interest throughout the session. Our resource person started with a small interaction with the students and he shows various opportunities of Electrical Engineers in field of Indian Army. He further gave idea to the students about the possible ways for applying the vacancies in armed forces. Finally, the session was concluded with a vote of thanks by Ms. Adhirai third year student and concluded with small query session. Herewith some of the glimpses of the seminar are attached.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Orientation Program

REPORT

Resource Person: Dr. R. Arokiadass, Principal, SANCET.

Date: 26.02.2024

Mr. V. Vijayakumar, Instructor,
Centre For Aerospace research,
MIT Campus, Chennai.

The Department of Electronics and Communication Engineering (ECE) in association with Electronics and Communication Scientia Association (ECSA) has organized a one-day Orientation Program.

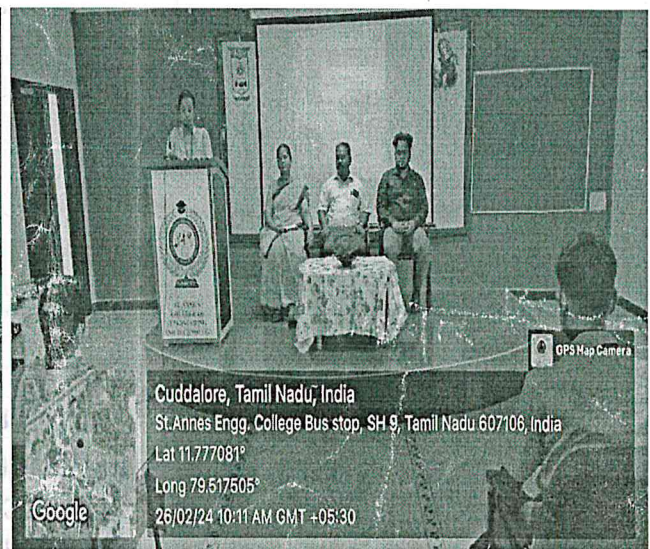

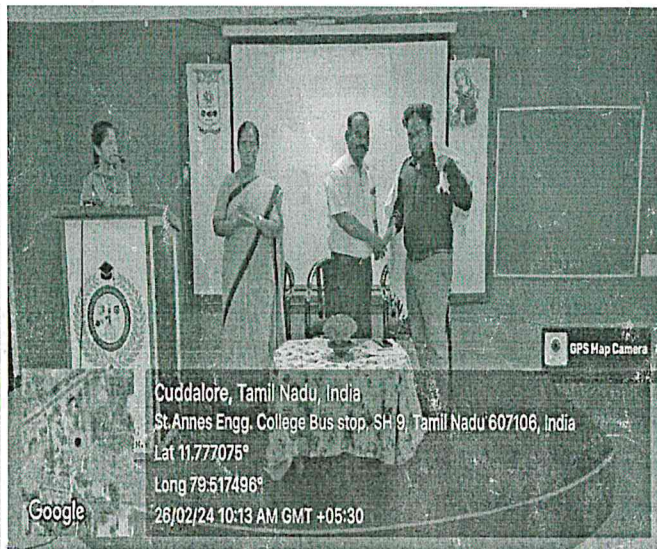

Theme: Future Scope for Electronics Engineering

Objective:

To Learn about the basics of drone components and hardware.

Report:

All the second-year students of Department of Electronics and Communication Engineering participated in this orientation program. Chief Guest, Mr. V. Vijayakumar is an alumni of our institute of 2011-2015 batch of Department of Electronics and Communication Engineering. He said the uses of drones on a commercial basis, in the field of aerospace, in agriculture, usage by Defense Force of Various Countries. In Civil Engineering purposes, drones are helping in the advance mapping. He also said that all countries should have a uniform approach towards the safety & security considerations, design consideration and operation considerations. He taught the basics of Drone technology and different types of drone used for different application. He also telecasted a video on making of his own drone and also other YouTube videos to make students understand the working of the drone. Finally, the students gave their valuable feedback about their experience in workshop. The session ended in a fruitful manner with a vote of thanks.

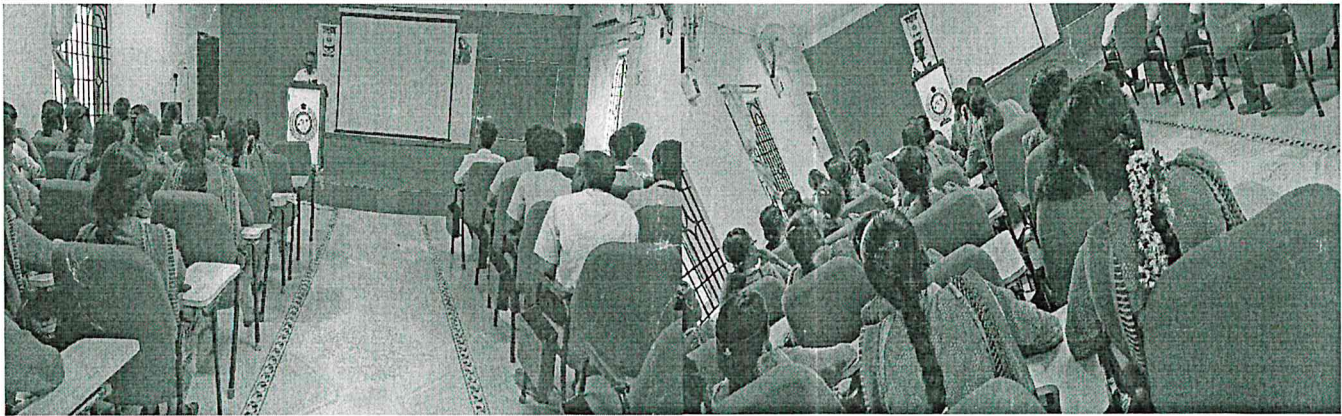

Theme: The Living Essence of Education

Objective:

To Learn about the importance of Education.

Report:

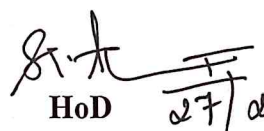

All the second-year students of Department of Electronics and Communication Engineering participated in this orientation program. The resource person Dr. R. Arokiadass, Principal, SANCET. He taught about Education is a procedure of learning where knowledge, skills, and habits move from one generation to the other. Moreover, education is essential for the overall development of a human being. For instance, their personal, social as well as the economic development of the country. He insists the student that if we talk about the importance of education in our daily life, we have to admit that it improves our personal lives and helps in running the societies smoothly by protecting everyone including ourselves from the harmful and unexpected events. Finally, the students gave their valuable feedback about their experience in orientation program. The session ended with new scope and valuable vote of thanks.

Outcomes:

- Students learnt basics of various drone components.
- Students learnt drone application.
- Students learnt about value of education

Webinar on “CAD in Construction using Bentley Software”

Objective:

Computer aided design and drafting software, is used to help architects, engineers, designers, and mapping professionals build models and drawings throughout design, construction, and operation of buildings, bridges, roads, factories, processing plants, rail networks, mines, substations, tunnels, water and wastewater plants, and more.

Outcomes:

We learn how to develop and employ the Mechanical engineers play key roles in many industries and collaborative environments, Utilizing Bentley Systems software, BIM Machine helps surveyors, architects, planners, contractors, maintenance engineers and managers to go digital and extract maximum value out of the digital technology. Micro Station. Modeling, documentation, visualization. Context Capture. Reality capture, point clouds.

REPORT OF THE PROGRAM

Webinar On

“CAD in Construction using Bentley Software”
on 30th October, 2023

Department of Mechanical Engineering in association with Alumni Cell has arranged a Webinar on to raise awareness of "CAD in Construction using Bentley Software" on 30th October, 2023 at Mechatronics Laboratory, Maria Block. The program's resource person was Mr. Jerry David Jayapaul, Project Designer, AECOM Pvt Ltd, Bangalore. . There were about 65 Second, Third and Final-year students from the department of Mechanical Engineering who actively participated in the programme. The prayer song played the session Mr.Premkumar, III/MECH welcomed the gathering. Dr.D.Ommurugadhasan, HoD/MECH felicitated the event with his thoughtful address to the students. A brief introduction of the resource person was given by, Mr.Aravidan IV/MECH. At the end of the introduction the resource person was honored by Dr.D.Ommurugadhasan, HoD/MECH.

The session was then turned over to the resource person, Mr. Jerry David Jayapaul,. The main elements of Mr. Jerry David Jayapaul, speech were as follows:

- Leverage our digital solutions to connect and streamline how your firm designs, builds, and delivers infrastructure.
- Highlighted the importance and need of Bentley Software”
- A student said the guest lecture was highly informative, interactive

Another student mentioned that he could gain some basic concepts *Bentley software*. After the feedback from students, delivered the vote of thank by Mr.Aravidan IV/MECH . The programme was then ended with the National Anthem.
