

e- Governance at St. Anne's College of Engineering and Technology (SANCET)

St. Anne's College of Engineering and Technology (SANCET) successfully implements e-governance through CEEMS Enterprise resource planning (ERP) and other official portals to run day to-day activities. It is an automatic integrated system which makes the support facilities more effective and efficient in turn accessing the data now and then. SANCET has the following major categories of e- governance.
