## Teachers Day

Date: 05/09/2023

Venue: Auditorium

St. Anne's CET Campus celebrated 'Teacher's Day' celebrations very exuberantly on 5th September, 2023 which is well known as Dr. Sarvepalli Radha Krishnan's Birth Anniversary and who is a great politician, philosopher, educator, inspirer and a great teacher.

Students always look forward to Teacher's Day with a lot of anticipation, for the sheer spirit of the occasion. By celebrating the occasion they get a fair idea of the responsibility, so efficiently handled by their teachers. Students arranged a wonderful celebration for their Teachers. They decorated the Class-Room and conducted the event in a very well organized manner. They gave Titles to their Teachers and made them share their experiences with their students. There was a Cake Cutting Ceremony from the students to grace the occasion. Principal and secretary gave their valuable speech about teachers. All the Teachers were delighted and touched by the loving gesture of the students.

## NATIONAL SCIENCE DAY & MATHEMATICS DAY CELEBRATION

### REPORT

The EDC&IIC cell in association with Tamil Nadu State council for Science and Technology (TNSCT) Government of Tamilnadu has organized National Science Day and Mathematics Day on 29.03.2024 & 01.03.2024.

#### Objective:

To encourage the youth to engage in scientific activities and consider careers in science and technology and to inculcate scientific temper and fostering a culture of innovation among the general public.

#### Report:

SANCET in association with Tamil Nadu State council for Science and Technology (TNSCT) Government of Tamilnadu celebrated the National Science Day in the remembrance of our great scientist Dr. Sir. C. V. Raman and the great Mathematician Srinivasa Ramanujan on 29<sup>th</sup> February 2024 & 01.03.2024 in our college campus for school students of nearby districts and our college students. National Science Day celebration started with a rally, around 500 NSS volunteers, the Secretary Rev. Dr. Sr. T. Nirmala, SAT, the Principal Dr. R. Arokiadass and the Vice Principal Rev. Sr. Punitha Jilt from SANCET were participated and Anguchettipalyam panchayat chairman Mr.Mohandoss and Pudupet Sub-Inspector of Police Mr.Kanagaraj has started the rally by showing the flag. In the rally, students were holding flags and banners in order to create awareness about the importance of science and technology in every walk of life. The inauguration of the event started with Prayer Song followed by lighting lamp and Holy Book reading. Mrs. A. Samadhana Priya AP/ECE welcomed the gatherings and Ms.S. Abinaya AP/CSE introduced the Chief Guest. Then, the chief guest was honored with shawl and memento by the Secretary and the Principal respectively. Dr. R. Arokiadass Principal addressed the students on the occasion of Science Day. He explained "Raman Effect" with some examples to the students. Next, Rev. Dr. Sr. T. Nirmala, SAT addressed and encouraged the students by asking some Mathematical riddles. After that, the chief of honor Dr. K. Viramanikam gave keynote address to the students. In his address, he briefed the contribution of the great Mathematician Srinivasa Ramanujan in the field of Mathematics to world.

On the occasion, (SANCET) faculty members organized Science Exhibition, Project Expo and Science and Mathematical quiz for the nearby school students and students also exhibit their inner talents by came up with amazing project models. Around, 2000 school students and 68 school teachers were attended the National Science Day celebration on 29.03.2024.

On the second day Workshop on Mathematics & science has been conducted. In mathematics workshop, the resource person Dr. Jon Arockiaraj, Vice Principal & Head, Department of Mathematics, St. Joseph's College of Arts and Science, Cuddalore explained the basic methods to solve mathematical puzzles to the school students and also, he explained briefly about the history and fun facts of the mathematical subject. Students eagerly answered the puzzles which was asked by the resource person. In science workshop the resource person Dr.S. Savithri, Professor & Head, School of Arts and Science, Madagadipet interpreted the basic scientific concepts related to Rainbow, Greenhouse effect, Global warming etc. The students showed their interest by answering the questions asked by the resource person. It was highly motivating workshop. Around 400 students from cuddalore and Villupuram district has participated in this workshop.

The National Science Day celebration from 29.2.24 to 1.3.24 came to an end with the valedictory session. The Guest of Honors were **Rev. Dr. A. Alex**, (Dean of Studies & Head, St. Joseph College of Arts and Science, Cuddalore), **Er. M. Pulendrian** (Additional Chief Manager, Neyveli Lignite Corporation India Limited, Neyveli), **Mrs. S. Sangeetha** (System Analyst, Tamil Nadu State Council for Science & Technology, Chennai) and **Mr. Ramachandra** (Accountant, Tamil Nadu State Council for Science & Technology, Chennai). The chief guest Dr. A. Alex delivered valedictory address. In his address, he encouraged the students to become a scientist like Sir C.V. Raman the first Indian who got Nobel Prize. Next, Er. M. Pulendrian delivered keynote address. Then, Mrs. S. Sangeetha and Mr. Ramachandra from Tamil Nadu State Council for Science & Technology addressed and wished the participants who participated in the National Science Day events. At the end, SANCET Secretary **Rev. Dr. Sr. T. Nirmala, SAT**, the Principal **Dr. R. Arokiadass** and the Vice Principal **Rev. Sr. Punitha Jilt** felicitated the function. Prizes and Certificates were distributed to the winners and participants by the chief guest. Around 15 schools and 2000 students were participated in the National Science Day events. The Principal **Dr. R. Arokiadass** on behalf of SANCET extended his sincere gratitude to Tamil Nadu State Council for Science & Technology for allocating fund and rendering support to organize National Science Day.

#### Outcomes:

- Students able to learn basic scientific concepts which involved in their everyday life.
- Students exposed to diverse subjects learn to generate ideas and approach problems from different perspectives.
- It supports students logical reasoning and analytical thinking.
- The Science Day acts as platform for school and college students to exhibit and enhance their Scientific Ideas and Knowledge.

## INTERNATIONAL WOMEN'S DAY 2024

### OBJECTIVES:

- To celebrate the progress made towards achieving gender equality and women's empowerment.
- To critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide.

### REPORT:

On behalf of St. Anne's College of Engineering and Technology the communication skill/language proficiency has organized Women's Day function on 07.03.2024 in college premises. The function started with the prayer song followed by Holy Bible reading. The welcome address was given by 1<sup>st</sup> year student and chief guest introduction was given by 3<sup>rd</sup> year student. The chief guest **MRS.J MARIE ANNA DAYAVADY** was honored with a memento by our Principal, Dr.R.Arokiadass. The felicitation address was delivered by the principal. He shared his view on helping the others with short stories and quotes.

The Chief guest speech was held. She expressed her thoughts and ideas about gender equality in a very entertaining and thought-provoking way. She also explained about the articles 14,15 which is about women right that are in Indian constitution. She explained about article 46 which was very helpful. Finally, the program ended with vote of thanks.

### OUTCOME:

Students were able to uphold women's achievements, recognize challenges, and focus greater attention on women's rights and gender equality.

## WORLD EARTH DAY - TREE PLANTATION REPORT

**DATE:** 22-04-2024

**PLACE:** SANCET CAMPUS.

On account of World Earth Day, our NSS Unit organized a Tree Plantation at SANCET, Campus. Earth Day aims to “build the world’s largest environmental movement to drive transformative change for people and the planet.” The movement’s mission is “to diversify, educate and activate the environmental movement worldwide”. This day provides an opportunity to raise public awareness around the world to the challenges regarding the wellbeing of the planet and all the life it supports. All the NSS volunteers and faculty members have participated in the programme. The program which was indented to promote environment development went on successfully with the close cooperation by the NSS Volunteers. 50 saplings were planted in our campus. 100 NSS volunteers are participated in the tree plantation activity.

## WORLD ENVIRONMENT DAY- PLASTIC ERADICATION REPORT

**DATE:** 05-06-2024

**PLACE:** MANAPAKKAM BUS STOP.

As a part of the World Environment Day, NSS team organized Swachh Bharat activities in the Manapakkam Bus Stop. As we celebrate World Environmental Day this year, let's unite to tackle plastic pollution. An ambitious Global Plastics Treaty can help countries around the globe to transform the way they produce, consume, and dispose of plastics. Together, we can build a more sustainable future and safeguard biodiversity on which all life depends. Together, we can beat plastics pollution. The objective of the activity is to beat plastic pollution in the regions, and to raise awareness about the issue, thereby promoting environmental conservation. In order to keep the surrounding clean, all the faculty members and 100 NSS volunteers are collectively participated in the campaign. The degradable and non-degradable waste disposals was collected separately.

## INTERNATIONAL YOGA DAY

### REPORT

**DATE:** 21-06-2024

**PLACE:** SANCET AUDITORIUM

Our college NSS Unit organized the “International Yoga Day” on 21.06.24. Our Resource persons are Dr. R. Prithvirajan, Ayaush Medical Officer, Govt, Primary Health Centre, Veeraperumanallur, and Dr. I. Vijayakumar, MD(S), Asst. Medical Officer(S) Govt Hospital, Panruti. The day had a wonderful start with an auspicious prayer and Tamil Thai Vazhthu. Dr. R. Arokiadass, Principal, presided over the function. He motivates the students as yoga is the art of living life, everything will happen with yoga etc. Yoga is necessary for everyone, old, children, women, men and young people. It is essential for human welfare.

Our Resource persons Dr. I. Vijayakumar tells about the benefits of yoga. With regular practice of yoga, everyone's body becomes disease free. The stress of the body is reduced, and the pleasure of living a stress-free life is attained. Fertility problems in women and men are mainly solved by doing yoga. The blood circulation and digestive system are strengthened through yoga. Further, Dr. R. Prithvirajan gave some exercise to the students
