## AWARENESS PROGRAMME ON TRANSGENDER

### REPORT

DATE:18-10-2023

PLACE: SANCET, AUDITORIUM

NSS unit in associated with Bar Council of Tamil Nadu organize “Awareness Programme on Transgender”. It was very interesting. This programme is guided by the programme officers. Transgender persons are those who have a gender identity, or gender expression, that differs from their assigned sex. An individual’s gender expression is external and socially perceived. Whereas gender identity is one of the most fundamental aspects of life which refers to a person’s intrinsic sense of being male, female, transgender or transsexual person. Transgender persons have faced several issues of discrimination, historically, like exclusion from their families, absence of dignified livelihoods, and inadequate access to health, shelter, welfare, and employment. 100 NSS volunteers and faculty members are attended in this program.
