## SWACHH BHARAT CAMPAIGN - PLASTIC ERADICATION

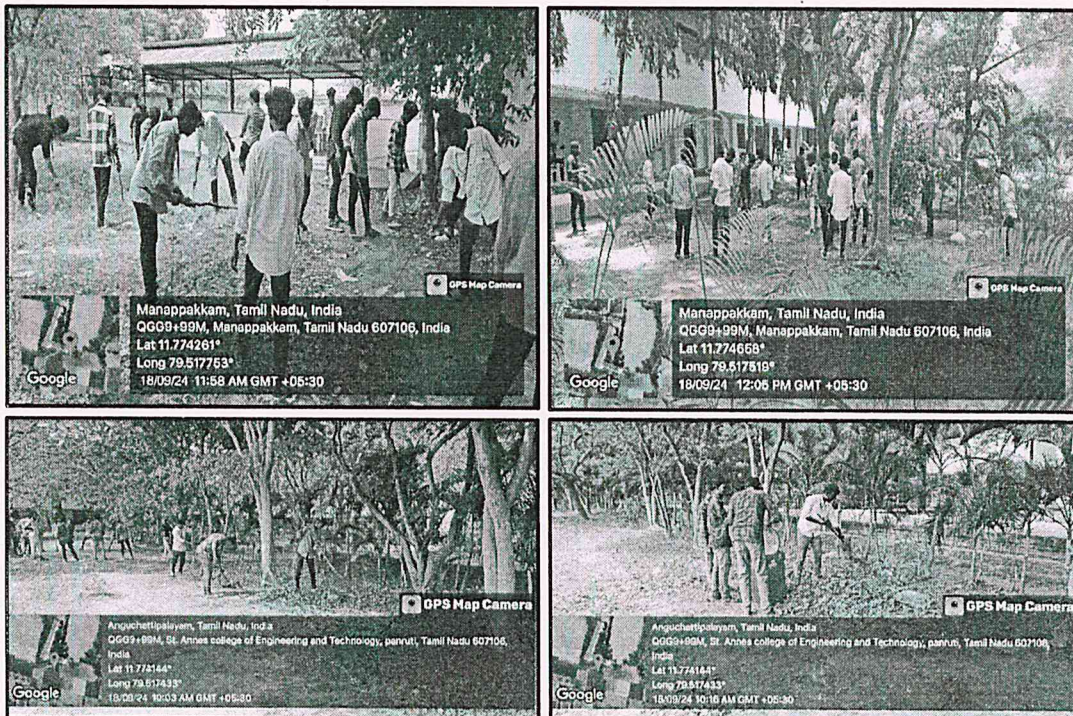

### REPORT

**DATE:** 18-09-2024

**PLACE:** SANCET CAMPUS.

**NO OF BENEFICIARIES:** 100

Under the nationwide initiative Swachh Bharat Abhiyan, the NSS Unit of SANCET conducted a Plastic Eradication Drive on 18-09-2024. The objective of this campaign was to spread awareness about the harmful effects of plastic pollution and to take concrete action toward eliminating single-use plastics from our surroundings. An ambitious Global Plastics Treaty can help countries around the globe to transform the way they produce, consume, and dispose of plastics. We can build a more sustainable future and safeguard biodiversity on which all life depends. Together, we can beat plastics pollution.

The campaign not only helped in cleaning the environment but also instilled a sense of civic duty among the participants. It was a significant step toward achieving the goals of a Plastic-Free and Swachh Bharat. The outcome shows the awareness was increased among students, staff, and local citizens about the dangers of plastic pollution. In order to keep the surrounding clean, all the faculty members and 100 NSS volunteers are collectively participated in the campaign. The degradable and non-degradable waste disposals were collected separately.
