## SWACHH BHARAT- CAMPUS CLEANING DRIVE

### REPORT

**DATE:** 14-03-2025

**PLACE:** SANCET CAMPUS.

**NO OF BENEFEICIARIES:** 100

As a part of the cleanliness drive, NSS team organized Swachh Bharat activities in the SANCET campus. In order to keep the campus clean, all the faculty members and NSS volunteers are collectively participated in the “Swachh Bharat” campaign. Our objective is to create an awareness on keeping the campus clean and green and also to improve the living conditions and for promoting healthy surroundings for the people. In the Campus Cleanliness Drive, 100 NSS volunteers are engaged themselves in various activities including cleaning the ground, Administration Block, Main block and also collecting separately the degradable and non-degradable solid waste which include glass bottles, tins, cans, plastic wastes, etc. found in and around the campus.

Enhanced cleanliness and hygiene on the campus. Increased awareness among students about waste-management and their role in maintaining a clean environment. Strengthened the spirit of volunteerism and social responsibility among NSS volunteers. The NSS-led Campus Cleaning Drive under Swachh Bharat Abhiyan was a successful and impactful initiative. It served as a reminder that cleanliness is not just a duty but a way of life. At the end of the program, the following pledge was taken by the NSS Volunteers, I shall do my best for protecting the earth and its natural environment. I shall also adopt such practices that would minimize wastage. I shall reuse whatever I can. I shall take care to clean up the environment. I shall reduce the waste we create. I shall plant more trees. I shall conserve energy and water. At last, students would be provided with refreshments by the college.
