

e- Governance at St. Anne's College of Engineering and Technology (SANCET)

St. Anne's College of Engineering and Technology (SANCET) successfully implements e-governance through CEEMS Enterprise resource planning (ERP) and other official portals to run day to-day activities. It is an automatic integrated system which makes the support facilities more effective and efficient in turn accessing the data now and then. SANCET has the following major categories of e- governance.

EXAMINATION

- Internal examination process is carried out through CEEMS ERP. Continuous Internal assessment mark entry, attendance entry and fee monitoring system are done through ERP system.
- Configuration of Exam fees, Generation of Exam application forms and uploading internal exam marks etc. is done in official website of Anna University.
- All official communication related with examination is communicated through official portal.
