### Beyond the Campus Environmental Promotion Activities

#### i) Clean India and Herbal Medicine

The NSS unit of St. Anne's College of Engineering and Technology, Anguchettypalayam, Panruti, in association with Anna University, organized a seven-day camp in the adopted village Anguchettypalayam, Panruti Taluk, Cuddalore District, from 13.12.2021 to 19.12.2021. Theme of the NSS camp is "**Youth's Contribution for Clean India**".

On 14.12.2021, Chief Guest Mrs. K. Poornambigai, District Organizing Commissioner, Scouts Department, Neyveli, gave a speech on 'Clean India and Herbal Medicine'. She emphasized the responsibility of each and every Indian citizen to keep our country clean and motivated the village people regarding cleanliness. Mrs. K. Poornambigai and her team members, Mr. J. Baskaran and Mr. K. Senthil murugan, Junior Scout Master, Neyveli gave awareness speech on Herbal Medicine and the importance of certain medicinal herbs. And also, she brought some herbal plants to explain and that is also planted in the village.

### iii) Dengue and Corona health awareness

On 17.12.2021, the Chief Guest, Mr. Bharathi, Health Analyst, Medical Team, Oraiur, gave a valuable talk on 'Dengue and Corona health awareness'. He said that Dengue fever is a mosquito-borne tropical disease caused by the dengue virus. Symptoms typically begin three to fourteen days after infection. These may include a high fever, headache, vomiting, muscle and joint pain, and a characteristic skin rash. Recovery generally takes two to seven days. He suggested to use insect repellent, wear long-sleeved shirts and long pants, and control mosquitoes inside and outside the home to protect against dengue mosquito bites. He also advised about the precautions to prevent the spread of COVID-19 by maintaining hygiene and washing hands frequently, especially if travelled by public transport then use an alcohol sanitizer and wearing a mask (cover the nose and mouth). Finally, our NSS Volunteers undertook a rally on 'Dengue Awareness'.

#### iv) Disaster management and preventive measures

In the afternoon session on 17.12.2021, the Chief Guest Mr. A. Richard Pravin, ASP/EEE, St. Anne's College of Engineering and Technology, Anguchettipalayam, gave a speech on Disaster Management and preventive measures. He briefly explained the various types of disasters and their potential risks so that people act appropriately when a disaster happens. He also said precautionary measures and immediate relief efforts of disaster management. The disaster management and preventive measures given by the Chief Guest is useful to the NSS Volunteers and the villagers.

### v) Tree Plantation

On 18.12.2021, Mr. C. Pasupathi, President, Civic Exnora, Panruti, motivated the Volunteers on the importance of Tree Plantation. Every man needs the oxygen for their life and trees are the foremost source of oxygen as well trees help to reduce the level of CO<sub>2</sub>. He also said that the whole world is facing the problem of global warming and to recover from such problem, planting trees has become mandatory.

Then we all move towards the place where tree plantation took place. The very first tree was planted by our Chief Guest and then NSS officer and village people also planted the trees. More than 100 trees were planted on the forenoon session of the day.
