“NSS DAY” CELEBRATION REPORT

DATE: 24-09-2022

PLACE: St. Anne's Auditorium

St. Anne's College of Engineering and Technology, Panruti successfully completed the event of “NSS Day Celebration” under the National Service Scheme (NSS) at St. Anne's Auditorium on Saturday, 24th August, 2022. The Chief Guest Mrs. R.Jamunarani, Fire and Rescue Officer, Fire Station, Panruti explained about different methodologies and types of fire rescue techniques. She also said about LPG leakage, Fire elite Ball, electronic devices usage, atmospheric pollution and use of DCP for commercial places. She conducted the activity to the NSS Volunteers about fire hazards and the safety measures which can be taken during fire emergency.

The objective of the training is to provide proficiency in accessing the workplace hazards and effectively handle the fire control and preventive mechanism. Fire safety training offers expertise in theoretical knowledge & hands-on experience in handling various firefighting equipment and helps to understand the organizational level of preparedness in dealing with emergencies.

They taught different methodologies such as Cooling method, Smothering method, Starvation method and so on. Fire safety training educated students, a set of practices & procedures to minimize the destruction caused by fire hazards at work/public place.
