TREE PLANTATION AND DENGUE AWARENESS REPORT

Date: 14-06-2018

Place: Sirugramam village

Our college NSS unit organized a one-day camp on 14th June 2018 at Sirugramam village. To make awareness about dengue fever among the school students, *Nilavembu Kashayam* was given to the students of Govt. Primary and Higher secondary school. And Our NSS Volunteers Planting Trees around Sirugramam village. Theme of the camp was 'Tree plantation, Cleanliness is next To the Godliness and Healthy Youth for Healthy India. Registration of camp began at 8.45 am. All the second year NSS volunteers of Mechanical, EEE, ECE and CSE department were registered and the registered students were divided into two groups responsible for various activities such as Cleanliness and Tree Plantation. The students also placed bricks around each plant and each student took the responsibility to nourish and maintain the allotted plant. Eventually, the ground attained a glorious look. As the whole world is facing the problem of global warming and to recover from such problem planting the trees has become one of the most important aspects. All the Volunteers were filled with joy after the tree plantation event was finished, because they contributed positively to nurture the nature. The camp came to a joyous end by 4.45 p.m.

Our NSS Volunteers provide *Nilavembu Kashayam* to the Govt. Primary school on 14th June 2018 at Sirugramam village.
